Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 28 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Murky overnight, warm with sunny spells and isolated showers Saturday.

This Evening and Tonight:
Occasional evening clear spells, mainly in the east, will give way to more widespread cloud going overnight. Remaining largely dry throughout, but patchy light rain remains possible for some, especially in the southwest. Minimum temperature 9 deg C (48 deg F).

Saturday:
Widespread early cloud will break to patchy fair-weather cloud into the afternoon, allowing for sunny spells but also the odd isolated shower. Feeling warm in the afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Warm, dry, and settled throughout this period. Plenty of sunshine Sunday, but this hazy at times with perhaps the odd light shower. Sunny spells through Bank Holiday Monday, and Tuesday.
